

MAXWELL

WHERE STYLE MEETS COMFORT

With soft, curved lines and a designer aesthetic, Maxwell strikes the perfect balance between contemporary elegance and ergonomic support. Designed for those who appreciate both form and function, Maxwell offers an exceptional seating experience. Its plush seat and fabric create an inviting, cosy feel, while the pillow-top seat and back cushion provide extra cushioning for long-lasting comfort.

Whether you're outfitting a high-end boardroom or a relaxed breakout space, its versatility shines through. Choose from a sleek, powder-coated sled frame for a modern, minimalist look, or opt for the ergonomic 5-star task base for effortless mobility and style.

Available in a range of unique colourways, Maxwell allows you to make a bold statement or keep it subtly chic, fitting seamlessly into any environment. Its resimmercial design brings together the best of residential warmth and commercial sophistication, making it the ideal choice for modern workspaces that value both comfort and aesthetics.

Elevate your office, meeting room, or lounge area with Maxwell – a perfect blend of designer quality, plush comfort, and timeless appeal.
